To Whom It May Concern:

I have known Ms. Kelly Willard for the past several years, ever since she asked me to be her accompanist for her choirs at Baseline Middle School here in South Haven. Ms. Willard is an exceptional professional, expecting great things from her choirs, and she achieves that through diligence and hard work.

Ms. Willard is enthusiastic and positive, and she brings life to the choir rehearsals. Well prepared for concerts, Ms. Willard works tirelessly to bring the joy of music to the students and to the audience. She goes out of her way to help students who struggle as well as those who desire to go the extra mile by competing in Solo & Ensemble.

The quality of Ms. Willard's choral program is what South Haven Public Schools is known for. She continues to challenge her singers with a wide variety of music styles, languages, rhythms, and genres.

It is always a pleasure to rehearse with Ms. Willard and accompany her students in making a joyful sound.
